

SANSKARTIRTH GYANPEETH SCHOOL-CBSE

Annual Report 2022-23

School aims to be the centre of excellence in education using technology, where the seeds of all round development of children are sown at an early age, being the Headmistress of the school, I take immense pleasure and pride to present report of our activities and achievements for the past academic year 2022- 23

VISION AND MISSION

VISION

A School with a culture of seating care & sense of purpose. Every Student is a leader a keen learner and friend. Each child would grow spiritually academically & personally. SanskartiirthGyanpeeth envisioned to become a school of discipline and academically competent and high productive citizens.

MISSION

The primary aim of SanskartiirthGyanpeeth is to impart high – end education with a flavor of Indian culture

The infrastructural framework would be doubt match the international standards, but we want to roots of our students should remain in rich Indian cultural heritage. We endeavor to inject high standards of moral and ethical philosophy in the young minds while educating the students in a perfectly disciplined environment. The ultimate goal is to make our students build up a robust and dynamic character with a global outlook.

RESULTS (2022-23)

We congratulate our students for their excellent performance and extend warm wishes for their bright future. We achieved 100 % results in both 10th and 12th std. we have 92% result.

STAFF FACULTY

The most valuable resource that any school can have is its staff.

The School collectively has an enthusiastic and dedicated team of teachers in the secondary, primary and middle School. In addition we have non-teaching and support staff. Their coordination with each other is what enables the school to function smoothly and grow in new prospectus.

“Innovation is the change that unlocks new value that leads to betterment and success”.

The school continues to strive towards innovation and latest practices in the field of pedagogy are being continuously incorporated.

SCHOOL MANAGING COMMITTEE

Meetings of SMC members are held on a regular basis and new members are nominated for the academic year 2022 -23. Meetings have been arranged periodically where the members of SMC are closely involved in most of the academic and co-curricular activities. We thank and congratulate them for their support and cooperation throughout the year.

ACADEMIC ACTIVITIES

Competitions and academic activities that go beyond the textbook and the classrooms encourage and foster a healthy and competitive spirit and effective communication skills in the students. The activities are conducted at classroom level, school level and inter house level .Some of these events are handwriting competition ,essay ,debate ,slogan writing competition ,story writing ,elocution ,quiz bee and many more. Science, Maths, English, Hindi, GK Olympiads are conducted every year and students perform excellently well in those competitions. **Library plays an important** role where students can bring their own books for reading or they

can take books or magazines to read with an aim to encourage and inculcate the habit of reading. School subscribes to various educational and entertainment magazines which are available for students to borrow and read through the school. The students are encouraged to subscribe to magazines like my cloud etc. Art integrated learning has been the hallmark of the school after the CBSE mandated it as compulsory. Art integrated projects were given for all the subjects who truly attracted a lot of attention and students willingly contributed to its success.

Aristotle rightly said that educating the mind without educating the heart is no education at all.

Value based sessions are conducted for self-development and personality development of students with an aim to inculcate them values like honesty, gratitude, forgiveness, kindness etc.

TRAINING, SEMINARS, ORIENTATION AND COUNSELING.

Each academic year training, seminars and orientation programs are conducted for students and teachers with a dual focus to improve and efficiently implement innovative ideas in teaching learning practices as well as to take students be on their current levels in teaching- learning counselling sessions are being conducted by reputed personalities and Alumni of school sharing their experience and guides students about various fields they have enrolled.

“A real teacher is one that he or she must always be a learner”

In an effort to better themselves, a considerable number of teachers have acquired degrees in B.Ed , D.Ed ,TET as well as other professional degrees in their pursuit of knowledge.

Co-curricular and Extra-curricular activities.

Co-curricular are essential attributes for any educational institution as they strengthen the classroom learning as well as develop the personality of a child which are conducted all-round the year to encourage applied education. Some of these activities are card making, best out of waste, poster making, chart making. Participation by the students and teachers in these events is commendable.

“It is said that you must practice like you have never had one and perform like you have never lost”.

Games & Sports Activities

When students are physically fit they will achieve more academically. Games and sports develop a sense of friendliness among the children and also build their team spirit. It has children to develop mental and physical toughness during this in mind the school provides ample opportunities for the students to perform regular exercise yoga and to play and proof they metal in various sports and games many students participated in various events like basketball tournament, chess tournament, kho-kho, volleyball, table tennis tournaments and have won laurels to the school.
